## Updates from CSN

Dear CSN Community:

Don't miss out on exciting first-gen focused events this week and later this month!

**! Last chance to register** for CSN Financial Literacy Workshop: From Financial Aid to Financial Freedom. Bring all and any of your financial questions (student loans, budgeting, investing, saving, etc.) and ask Sal Cocivera, a financial advisor expert.

 Calling all STEM students: join us for the BMS STEM panel to learn more about the pharmaceutical industry and the many roles and opportunities in the field.

Read more below to **register** for these interactive and informative events!

---

---

### 1. CSN Financial Literacy Workshop

Are you a first-generation college student thinking about your future and wondering about how to manage your finances?

Don't miss out on asking a financial advisor about any of your financial

questions! Sal has many years of experience answering FGLI financial questions and helping FGLI students figure out their financial situations
