Updates from CSN

Dear CSN Community:

Don't miss out on exciting first-gen focused events this week and later this month!

❗️ Last chance to register for CSN Financial Literacy Workshop: From Financial Aid to Financial Freedom. Bring all and any of your financial questions (student loans, budgeting, investing, saving, etc.) and ask Sal Cocivera, a financial advisor expert.

✍️ Calling all STEM students: join us for the BMS STEM panel to learn more about the pharmaceutical industry and the many roles and opportunities in the field.

Read more below to register for these interactive and informative events!

1. CSN Financial Literacy Workshop

Are you a first-generation college student thinking about your future and wondering about how to manage your finances?

Don't miss out on asking a financial advisor about any of your financial
questions! Sal has many years of experience answering FGLI financial questions and helping FGLI students figure out their financial situations.

Last call to join us for an informative and interactive session on April 14, 5:30-7PM! Register below today!

CSN Hosts an Interactive Workshop

From Financial Aid to Financial Independence

For Students Who Want to Plan on Financial Stability
