Updates from CSN

Dear CSN Community:

We hope you were able to spend this Valentine's Day weekend with your loved ones while staying healthy and safe! Here are some new events and exciting opportunities:

- CSN is holding our first Community Connection virtual networking event with L&D Philly
- CSN was also recently featured in the News section of the Philadelphia Eagles website!
- Apply to RSM's First-Gen scholarships! Applications are due by February 28th
- NFI is offering Spring and Summer 2021 internships in Business Management and Engineering
- Bristol Myers Squibb is now accepting applications for their summer internship programs!
- Sign Up for CSN's More than Interviewing Skills 101 Webinar happening March 10th!

Scroll down for more details!

1. CSN Community Connection

Last call to sign up for CSN Community Connection!

Join this CSN Community Connect event over lunchtime to learn more about CSN, L&D Philly (Learning and Development Professionals of Greater Philadelphia), and how we are working to support and empower even more Philadelphia-area first generation college students.

At this virtual Community Connect event, you'll get the latest news from CSN, learn about professional volunteer activities, hear from first gen students about their CSN and college experience, and get a chance to network with local students and professionals.

Join us for our first Community Connection

Get the latest news from Collective Success Network

Meet our new L&D Philly Partners

Hear from students and volunteers

Learn how to get involved

PLUS: Time for virtual networking!

February 19th, 2021

Noon to 1:15 pm

Register for the virtual event at:

2. CSN and the Philadelphia Eagles

In support of Black History month, the Philadelphia Eagles is featuring nonprofits that reduce opportunity barriers and end racism. The Collective Success Network is featured for evening out the playing field for low-income, first-generation (LIFG) college students so that they, too, can reach their full potential through education.

Learn more about how CSN will be using the \$15,000 Eagles Social Justice Fund to launch a consortium chapter.

The graphic features a dark teal background with a faint city skyline. In the top left, the Collective Success Network logo is displayed, consisting of a circular icon with a stylized figure and the text 'COLLECTIVE SUCCESS NETWORK' below it. The main text 'COLLECTIVE SUCCESS NETWORK' is centered in a bright green, bold, sans-serif font. Below this, a white text box contains the following description: 'Collective Success Network supports low-income first-generation college students to achieve their academic and career aspirations through empowering mentorship, professional development, and leadership opportunities.'

COLLECTIVE SUCCESS NETWORK

Collective Success Network supports low-income first-generation college students to achieve their academic and career aspirations through empowering mentorship, professional development, and leadership opportunities.

Internships at Bristol-Myers Squibb

6. More Than Interviewing Skills 101

MARCH 10 6:30-8 PM

**MORE THAN
INTERVIEWING
SKILLS 101:
HOW TO
EMBRACE BEING
FIRST GEN**

- Hear from a panel of 1st Gen Graduates and their interviewing experiences
- Group share your First Gen stories
- Uncover and capitalize on your strengths and accomplishments using the SSAR model

- Learn how to harness your inner confidence even when you might not feel it
- Tap into vulnerability as an asset in the interviewing process

Register Here:
<http://bit.ly/CSNbeyondtheinterview>

Explore advice from writer and editor Gabriela Julia during a 90-minute interactive webinar on “How to Interview” customized to the needs of First Gen students! We will combine specific, black, and white interviewing strategies with the very, gray psychology needed for your success in the interview.

In this session, participants will have the chance to:

- Hear from a panel of 1st Gen Graduates and their interviewing experiences
- Group share your First Gen stories
- Uncover and capitalize on your strengths and accomplishments using the SSAR model
- Learn how to harness your inner confidence even when you might not feel it
- Tap into vulnerability as an asset in the interviewing process
