Giving Tuesday With Collective Success Network

To all community members:

Here at CSN, we are extremely thankful for YOU and all of the work we've accomplished together!

As the year ends, we thank you all for your support in:

- Helping us fund more than \$34,000 in stipends in 2024
- Welcoming over 400 FGLI college students in our program this year
- Facilitating an environment to teach leadership skills, build self-

confidence, and grow community connections through our Student Leadership Program

- And much more that CSN has done, thanks to YOU!

With your support, CSN is able to help FGLI students with many opportunities and resources. Here's how our influence has helped thus far:

“CSN's financial support has helped Temple First run events that bring first-generation students like me together and make us feel supported. Their funding gave us access to helpful resources, workshops, and a strong community on campus. Without their help, a lot of these opportunities wouldn't have been possible, and I'm really grateful for everything they've done.”

- Nhu Truong (previous TempleFirst Director of Finance)

“The CSN Leadership Program provided me with invaluable opportunities to grow both personally and professionally. Through mentorship, skill-building workshops, and a strong community of like-minded peers, I gained practical insights and confidence to navigate my academic and career journey. This program not only enhanced my leadership abilities but also empowered me to give back and inspire others in my community. The \$500 stipend will go toward furthering my education and supporting professional development opportunities.”

- Amy Zhang (program participant)
